Season

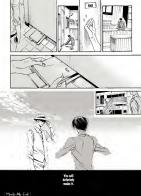

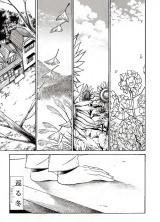

Helle. It's been a long time. I'm Asiau Mitsuaki

71's keen eight yeers suce My first released series and I've added another one to this two that I had with Taryo Tashou Thank You for picking it up.

I drew "Baku Harw" because I wanted to draw a complicated Studion.
I wanted to draw a remained where there do not regret pudting this
effort are their relationship. And also one where transportation and
communication were a fact offer. And not where their was an age gap.

It was supposed to have feathful after surviver, fall and white, but I ended up drawing something from sovie years later to this countribule.

audid up drawing Samothing From Sovie Years later in this countryside. Thank You so much to b-Sama, the publisher, and Tarro Tosho

It lengs no great satisfaction if you guys enjoyed it.

and all of the readers.
